Full handicap allowance for each team member.

Teams of 4 players

Stableford Scoring

Played off the Tees of the Day ("stones")

Each team will given a specially designed score sheet where on each member plays with each other member for 6 consecutive holes. Players are coded A,B,C and D and rotated after each six blocks of holes. Before commencing team captain should allocate each player to each letter. If you have been allocated "Albert" he must be entered as player D.

The better ball stableford score of each pair is counted to give 2 scores on each hole. Total each set after 6 holes and grand total the three sets (18) before submitting score sheet.
