Just 4 points off our all-time record the winners of Monday's 'Waltzer 1-2-3', with 94 points, were Andrea Martin, AnneMarie Weisheit, Friedel Knebel and Ian Moir. No less than ten points behind them came Dave Pulling, Mike Brentnall, Ron Phipps and Marleen Billen.

Three '2's were achieved in Wednesday's individual Stableford. Olga Douglas, Graham Murray and Mark Western each had a share of the pot. It was certainly a family affair at the top as Olga Douglas took top place with 40 points whilst husband Alan came a close second with 38. After checking and correcting his card a number of times it was Pat Cassidy who kept up his run of good form and was awarded the third spot.

This will be my last report for a while (OK wipe away those tears!) as we learnt after the game that the course (along with all the others in the area) would be closed for at least the next two weeks.

So as they say in Spanish,

Nos vemos cuando te vea
