Tee Times – 30 minute Rule

We still ask members to be there 30 minutes before their tee times. This is for a couple of reasons, we may have gone off the tee earlier than normal or some members may have not turned up that morning and teams need to be changed around. Please observe the rule.

Marking Your Ball

When lifting the ball anywhere on the course the ball should be marked at all times.

18th Fairway

Please note, providing your ball is not out of bounds, but if it is in the green keepers workings, which are to be found along the right hand side of the 18th fairway, and all the way down to the end of that wall, if your ball is on the right hand side of the path you may have a drop onto the semi observing the rule of a free drop.

Looking For Balls – 3 minutes

The rule for looking for a lost ball is 3 minutes. This rule is being abused by some. The responsibility of timing is between the player and the marker to observe the 3 minutes is adhered to.

Buggies

Members in buggies can you please observe a little courtesy and not drive off in front of all other players in your group until they have taken their shots and especially tee shots.

16th Tee

Gentlemen if you have a lady in your team could you wait until the lady has got to her tee and ask her to observe your tee shot and

ensure it has actually cleared the hazard to avoid any further discrepancies.

5th and 15th

Pick and place is still being observed

Any Other business

The committee would like to thank Lindsay for overseeing that the Honours Board has been brought up to date for the year 2020.

We would also like to thank Lindsay for all his hard work and contribution to the committee over the years.

Who would have thought 12 months ago that we would still be living in these unprecedented times but here we are. For a large group of people we have done very well. The committee would like to thank all members for observing the rules regarding social distancing wearing of masks etc and enabling us to return to golf safely.

We would also like to take this opportunity to say how sad it was for all members to hear of the loss of Marleen Billen.

Meeting closed at 3pm

Many Thanks

The Committee
